SUBJECT: Summary of Meeting of International Energy
Security Group November 15, 1982, and Revised
Report of the Group on International Measures

Attached is a summary of the discussion at the meeting of the International Energy Security Group November 15. In accordance with the suggestions made at the meeting, the proposed Report on International Measures has been revised. The text of the revised report (but not the CIA annex, which is unchanged) is attached to the meeting summary.

I have sent the revised Report on International Measures to Secretary Regan for discussion at an upcoming SIG-IEP meeting. I have also sent an update on domestic measures to Secretaries Regan and Watt for consideration by the SIG-IEP and the Cabinet Council on Natural Resources and the Environment.
